

Dr Gaurav Singh

Dr Gaurav Singh

Partner Investigator

BHP

As the Manager, Decision Science Chapter, Strategy and Innovation, Group Technology at BHP, Gaurav orchestrates digital transformation by embedding advanced decision science at all organisational levels. He has built a R&D approach to identify and incorporate disruptive technologies and drive external research collaboration.

Gaurav establishes consensus with key global stakeholders on critical investments and initiatives, he is a champion of change; introducing ML-based algorithms, pit-to-customer value chain models, and predictive models for maintenance planning.

Gaurav is a research fellow and PhD student industry mentor for the Centre.
