

NLP Workshop

THE UNIVERSITY OF
**WESTERN
AUSTRALIA**

Dr Michael Stewart

Research Fellow

Theme 1

2020-02-10

University of Western Australia

In January 2020 Michael hosted a workshop on Natural Language Processing at the University of Western Australia. During this workshop, Michael presented an introductory look at Word Embeddings in his presentation, "Word Embeddings: a Practical Overview". Prof Arno Scharl and Univ.Prof. Dr. Johann Mitlöhner from Modul University Vienna also presented their work at this workshop.

The workshop was attended by an audience of approximately 30 (academics and industry).
