

# Peter Rose

Peter Rose

Partner Investigator

Alcoa

Peter Rose is the Global Digital Deployment Manager for Alcoa. He will represent Alcoa on the Strategic Risk and Reporting Board

Peter will bring to the Centre more than 20 years of experience developing and delivering strategic technology roadmaps that drive significant growth in revenue. He will support embedding the Centre's research with his expertise in business improvement, change management and project management.

Peter has a history of leading cross-functional global teams to deliver on technology projects in the resources sector.
